### Leadership by Engaging Others

*With Guest Speaker & Albany Club Member*  
**George Anastasopoulos**

In this interactive, eureka-filled, tool-laden, Lunch & Learn we'll uncover how you can more effectively engage, develop and empower others by applying 3 potent tools. You'll better understand how to build Trust based relationships with others. You'll learn to apply the E.C.M principle (aka the Holy Trinity of Engagement). And you'll be able to leverage the raw horsepower of the A.A.B.C. of acknowledgments. These are crucial to retain your employees longer, and for your team to learn, grow and perform at their best... leading to outstanding business results and Sales Leadership.

George Anastasopoulos makes a difference with people who want to make a difference. His focus: equipping, empowering, and supporting clients to become influential leaders, perform at their best, build championship teams, produce superior results, and reach their goals.
