Canada's Consul General in New York, 2011-2016

Join us for an informative and interactive luncheon with John Prato, Canada's Consul General in New York from 2011 - 2016, as he discusses his role promoting Canada's interests in this incredibly important region and what he learned about Canada-U.S. relations. John will share his perspective on energy, environmental, economic, and security policy — and dispel some myths — all a few days before the potentially transformative inauguration of President Donald J. Trump.
