Business Series Luncheon The Canadian Taxpayers Federation

Guest Speaker: Aaron Wudrick

“High price to pay: the Trudeau government’s fiscal track record”

Aaron joined the CTF as Federal Director in 2014. A lawyer by training, Aaron practised litigation in his native Kitchener, Ontario, and then corporate law with a major international law firm in London, Hong Kong and Abu Dhabi, before returning to Canada to work with a prominent political consulting firm.

In addition to being a recovering lawyer, Aaron is also a recovering partisan, having previously served as a political organizer and campaign manager for several political candidates in federal and provincial elections and leadership campaigns (some successful, some not so much).

Aaron holds a BA in economics and political science from the University of Waterloo, and a J.D. from the Faculty of Law at the University of Western Ontario, where he served as student body president during his final year of studies. He lives in Ottawa with his wife and three children.
