International Churchill Society Canada & The Albany Club of Toronto

22nd Annual Joint Dinner

Guest Speaker:

The Honourable Bob Rae

"Churchill, Warts and All – Why His Courage Outweighs His Faults"

On May 10, 1940, Winston Churchill became Prime Minister. As he wrote, "At last I had the authority to give direction over the whole scene. I felt as if I were walking with Destiny, and that all my past life had been but a preparation for this hour and for this trial."

On the 78th Anniversary of that historic event we are honoured and delighted that one of Canada's most eminent and charismatic personalities will be our guest speaker.

Mr. Rae of course has had many academic and political accomplishments including serving as Ontario's 21st Premier from 1990 to 1995. He was named Queen's Counsel in 1984, appointed to the Privy Council of Canada in 1998, named an Officer of the Order of Canada in 2000, received the Order of Ontario in 2004 and Companion of the Order of Canada in 2015. In October, 2017 Bob was appointed as Special Envoy to Myanmar. To that should be added his reputation as a brilliant after dinner speaker, and his fluency in the life and achievements of Sir Winston Churchill.
