*A club within the Club for our younger members. A club within the Club for our younger members. Led by a group of young enthusiastic members, the Pitt Society organizes events geared to younger interests while fostering mentorship and friendships with Albany Club members of all ages. The Pitt Society is named after William Pitt the Younger. Combining Tory values with a new outlook on politics, Pitt was able to steer Britain through fundamental reforms while simultaneously defending Britain from Napoleon. His conservative values, combined with the ability to examine issues with a new outlook, are the principles reflected in our Pitt Society.
Pitt Society events are open to all Members!*
